

Mr. Raoul Archambault, Jr.
Assistant Director
Bureau of the Budget
Executive Office Building
Washington 25, D. C.

13 APR 1959

Dear Mr. Archambault:

Thank you for your letter of 27 February 1959 and the enclosed volumes entitled Suggested State Legislation: Program for 1959.

As verbally indicated to Mr. Graves, we have not had occasion in carrying out the work of the Central Intelligence Agency to encounter unresolved state legislative problems of the type described in your letter. Accordingly, this Agency has no suggestions to offer at this time.

Sincerely,

25X1A

Legislative Counsel
